

ANEW REVERSALIST DAY CREAM

REASONS TO *love*

- Our best day cream to restore radiant, smooth skin with bounce.
- 9 out of 10 of women saw noticeably new skin, lines reduced, firmness regained, moisture doubled.
- Boosts collagen & elastin to give skin back its youthful volume.

BE A *beauty* ADVISOR

- This is the day cream she can rely on to cover her skin needs as she sees the early signs of ageing day-after-day.
- Formulated for those between 35 to 55 years-old, it provides the most efficacious actives and nutrients for youthful results at this life stage.

HOW & WHEN TO USE

Simply smooth over cleansed face and neck every morning. For best results, use the Anew Reversalist Night Cream in the evening.

TOP TIPS TO *boost* YOUR EARNINGS

- Sell the day and night cream together. Why not offer her a sample or trial size of the Reversalist Night Cream, and explain that using both together gives the best results. She can ensure her skin is protected and cared for 24 hours a day.
- Make a note to return in 4-6 weeks time to see how she's getting on and whether she's ready to re-purchase.

FEATURED INGREDIENTS

- Exclusive peptide
- SPF25 (sun damage can be ageing, so wearing an SPF every day is essential.)

IF YOU ONLY REMEMBER ONE THING...

Best Day cream to improve elastin & collagen to restore skin's youthful bounce.

Best Night cream to improve elastin & collagen to restore skin's youthful bounce.

ANEW CLINICAL LIFT & FIRM EYE LIFT SYSTEM

REASONS TO *love*

- Get an instant, visible eye lift.
- Our no.1, award-winning dual formula eye cream!
- Clinically proven to improve the appearance of eyelid sagging in just 4 weeks.
- 98% of women considering an eye lift procedure were impressed by the results.

BE A *beauty* ADVISOR

Dual formula:

- Lightweight upper eye gel is formulated with a pharmaceutical-grade skin tightener to give instant tightening.
- The nourishing under eye cream brightens under eyes and visibly counteracts the way skin naturally sags.

HOW & WHEN TO USE

Use morning and night.

Apply the gel to your eyelid, brow bone and above the brow.

Smooth the cream under the eye area, including your upper cheekbone and outer corner of the eye.

TOP TIPS TO *boost* YOUR EARNINGS

- If she already loves Lift & Firm Eye Lift System, why not give her samples of the ANEW day and night cream regimes?
- Recommend using with the Targeted Eye Massager tool for superior targeted application.

FEATURED INGREDIENTS

- Amino acid
- Peptides

IF YOU ONLY REMEMBER ONE THING...

An instant, visible eye lift, without the drastic measures.
